FOR THE MONTH OF APRIL 2025

## MESSAGE FROM PRINCIPAL'S DESK...

Dear Students, Parents and Guardians,

As we journey through the academic year, I want to remind you that education is the key to unlock your full potential. As Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world."

### To Our Students:

You are the future leaders, innovators, and change-makers of our world. I encourage you to stay curious, focused, and committed to

your goals. As Malala Yousafzai said, "One child, one teacher, one book, one pen can change the world."

Your time in school is not just about academics; it's about discovering your passions, developing your talents, and building meaningful relationships with your peers and teachers. I urge you to take advantage of the various opportunities available to you, whether it's participating in extracurricular activities, joining clubs or organizations, or simply exploring new interests.

## To Our Parents:

Your involvement in your child's education is invaluable. I appreciate your ongoing support and partnership. Let's work together to ensure our students receive the best possible education. As a parent, you are your child's first teacher, and your role in shaping their future is crucial.

Regular communication with teachers, monitoring progress, and providing support are essential in helping your child succeed. I encourage you to stay engaged with your child's learning journey and reach out to us whenever you need guidance or support.

## Together, Let's Achieve Excellence

As we strive for excellence, remember that success is not just about academics; it's about developing the skills, confidence, and resilience needed to thrive in an ever-changing world. Let's make a positive impact on our world!

## Wishing You All the Best

May this academic year bring you joy, growth, and success. As Ralph Waldo Emerson said, "Do not go where the path may lead; go instead where there is no path and leave a trail."

Best regards,  
**Mrs Rincy Jose**  
Principal

## "Mission Moment"

KINGS SCHOOL does an excellent job, introducing faculty and staff, highlighting their prestigious academic backgrounds, credentials, experience, and accomplishments. This assures parents that KINGS faculty has the tools to educate their children and nurture positive development properly.

## ON 1st APRIL, 2025, STUDENTS OF CLASS XII A1 A2 CONDUCTED THE MORNING ASSEMBLY.

The assembly commenced with a prayer followed by the thought for the day. To keep abreast with the latest events around the globe, the national and the international news highlights were shared. The students were also updated about the school news. Principal, Mrs. Rincy Jose, addressed the audience and mentioned about the importance of morning assembly. She motivated the students and staff through an inspiring speech. She also encouraged children to focus more on outdoor activities and concentrate in improving their spoken English.

The School Summer Camp in KINGS SCHOOL kicked off with great enthusiasm on 21-04-2025 with the theme "Little Inventors and Inventions" and culminated on 30<sup>th</sup> April 2025.

### **Kudos, Celebrations, Additions, and Welcomes**

A regular round-up of shout-outs and celebrations is great for building camaraderie among staff, students, and families. Include a section to give a teacher or student a moment in the spotlight for something kind they were witnessed doing or something amazing they've accomplished.

### **"Everything good, everything magical happens in the month of April."**

It's summer time and the school holidays are upon us with both parents and children gearing up for a long, hot summer in the age of technology. With human inventions that were directed to make work and life less physically demanding, people tend to miss basking in the luxury of life by getting physically involved in multifarious activities. Seasons come and go but summer is when life is in full swing. Therefore, in order to engage our students, KINGS SCHOOL organized a recreational summer camp from Pre-School to Grade 8 to give a refreshing fun experience to our young learners.

## RECREATIONAL ACTIVITIES

From singing around to bringing one's latent talent to surface, summer camp is an opportunity to capture all the memories of the greatest moments one experiences. Children are fascinated with recreational activities as they are as necessary to our wellbeing as the more serious pursuits of life. Recreational Activities undertaken during the summer camp can be the best memory of one's childhood and KINGs takes pride in creating those joyful experiences through the activities- Paper Craft, The Promising Dramebaaz and Theatre. The Camp witnessed active participation from

the young enthusiasts wherein more than 100 children enrolled in the activities organized. All the activities were well incorporated with the academic planner as they nurture and develop the various aspects of learning like- creativity, team spirit, decision making, giving the global dimension for better conceptual learning along with personality development.

## PAPER CRAFT

“Crafting is putting ideas into action and then holding them together with an inexpensive adhesive.” Papercraft has an aesthetic, educational and therapeutic value. This art form is particularly popular with children as it is approachable and accessible to young as well as older students. Papercraft Activity under Summer Camp provided the young learners with an opportunity to learn different kinds of paper crafts.

## “Alone we can do so little, together we can do so much

The recreational summer camp helped students engage in activities where they explored their interests and learnt new skills in a dedicated manner. The summer camp encouraged experiential learning with students actually doing varied creative activities which resulted in long-lasting mental engagement on the part of students. All of these contributed to the development of the child,

even as the latter steps out into the world as a confident, able adult. The corridors of KINGS are always abuzz with activities, events, workshops, seminars, competitions intra and inter-school activities to bring out the talent

of each student who thrive in the vibrancy and dynamism of this institution. The recreational summer camp was just one of those activities which brought smiles on the bright faces of our students yet again. The camp for the academic session 2024-25 was indeed a success!!!

## SPORTS CAMP

**“Summer Sports Camp is a great opportunity to explore new things or dive deep into areas you love”**

Our school's sports summer camp was a resounding success, featuring diverse activities like Football, Cricket, basketball, and swimming. Students enjoyed expert coaching, teamwork, and skill development, fostering both athletic abilities and camaraderie in a fun, engaging environment. More than 180 students of both the schools were participated. The camp aimed at keeping the students engaged and provided them an even platform to explore

and express their creativity in any form as per their interest. They not only made memories while having fun but they were able to overcome their fears, try new things, pushed their boundaries and realized self-sufficiency. They were able to make new friends amidst lots of fun and learnt team spirit and be more confident. The Director of the school addressed the students, emphasizing the importance of innovation, - teamwork, and critical thinking. The Principal visited the camp and interacted with students, sharing inspiring stories of innovation and creativity. Teachers explored various inventions like Giant wheel, Invention of glass, history of toothbrush, invention of laser, eraser,

compass and stethoscope with a special focus on the topic aerobics. They learned about its history, mechanics and impact on society.

## **PARENT ORIENTATION PROGRAMME AND PTM of Classes X & XII for the Academic Year 2025-26.**

Parent Orientation Programme and PTM was conducted on Saturday, 26 April between 9:30 am to 1:00 pm. The parents were informed through telephonic calls as well as through the students' official WhatsApp group.

A warm welcome was proposed by the Honourable Correspondent, Mr. James Navamani. The teaching faculty was introduced to the parents by the Academic Co-ordinator, Mrs. Manimala.

Mrs Rincy Jose, Principal of the school addressed the parents and elaborated the student's code of conduct, the two-tier exam system of class X and curriculum, the agenda of this academic year including the schedule of examination, the need for incorporating moral and ethical values in education and also explained the institutional efforts towards it. She also appealed all parents not to provide vehicles to students. Mrs. Palaniammal, the Vice-Principal expressed the words of gratitude. Refreshment was arranged in between the interactive session.

**to be continued... Greetings to you all from KINGS FAMILY!!**

## KINDERGARTEN NEWS

# MOMS AND TODDLERS RAINBOW CAMP-2025

Dear Parents,

Kings Kindergarten recently hosted a vibrant and joyful **Moms and Toddlers Rainbow Camp** for children aged 18 months to 3.5 years. The six-day camp, held from **21st to 26th April**, took place in newly inaugurated Kindergarten block and was thoughtfully designed to provide meaningful experience for both moms and toddlers.

Each day was filled with engaging activities that encouraged bonding, learning and creativity. The camp aimed to nurture essential developmental skills offering opportunities to build fine and gross motor abilities, boost communication, enhance social interaction and foster awareness of the environment and nutrition.

MOMS were provided with detailed guidelines regarding timings, dress code, necessary materials, and preparations for the exciting camp adventure. Every element of the camp was carefully curated to support early childhood development while creating lasting memories for both moms and their little ones.

## SUNSHINE DAY

(Monday, 21st April)

The camp commenced with **Sunshine Day**, celebrating the cheerful colour **yellow**, symbolizing hope, happiness, and positivity. The corridors were adorned with yellow balloons, and both moms and toddlers wore bright shades of yellow.

The day began with vibrant colour songs, action songs, and stories. Toddlers participated in activities such as:

- **Thumb printing** on pots using colours
- **Planting seeds** to foster responsibility and curiosity about nature
- **Balancing a ball on the paper**
- **Dough play** where they designed and decorated flowers
- **Squeezing and drying clothes** using pegs

The day was lively, energetic, and full of learning and laughter.

## AZURE DAY

(Tuesday, 22nd April)

**Azure Day** celebrated the calming shades of **blue**, representing trust, loyalty, and wisdom. Moms and toddlers dressed in different hues of blue participated in:

- **Blue-themed songs and storytelling**
- **Crafting greeting cards** with leaves, flowers, and twigs
- **Sorting & Sticking blue balls** on hula hoop wall
- **Folding clothes**
- **Water squeezing** with sponges

A special highlight was the **Yoga session**, where simple asanas were performed together, promoting physical strength, mental calmness, and healthy social interaction. It was indeed a cool and refreshing blue day!

## APPLE DAPPLE DAY

(Wednesday, 23rd April)

The vibrant colour **red**, symbolizing love, strength, and leadership, lit up the campus on **Apple Dapple Day**. Moms and toddlers looked dazzling in red outfits and engaged in:

- **Building a Family Tree** by pasting family photos
- Balancing ball on the cone
- **Dental hygiene demonstration** using a toothbrush
- **Hand printing** on T-shirts

The day was filled with joyful bonding moments and educational fun.

## NATURE NINJA DAY

(Thursday, 24th April)

**Green** the colour of nature and growth took centre stage during **Nature Ninja Day**. Activities included:

- Ice cube treasure hunt
- Peeling paper off surprise balls
- Sticking green rice on apple shapes
- **Horse riding**, conducted under the guidance of professional instructors to ensure safety and build confidence

Toddlers brought healthy snacks, reinforcing the day's theme while promoting nutritious eating habits. It was a delightful blend of learning, creativity, and fun!

## **TWILIGHT DAY**

(Friday, 25th April)

The mysterious and creative hues of **purple** were celebrated on **Twilight Day**. The day's exciting activities featured:

- **Water play session** at the pool, introducing toddlers safely to water fun and basic swimming exercises
- **Tunnel games** that improved gross motor skills and coordination
- **Cooking without fire**, where toddlers and moms prepared healthy, no-cook dishes, fostering creativity, teamwork, and healthy eating habits

The joy of sharing self-prepared dishes created a memorable experience of love, care, and cooperation.

## RAINBOW DAY

(Saturday, 26th April)

The grand finale, **Rainbow Day**, was a true celebration of colours, happiness, and confidence. A **fancy dress competition** was held with the theme **Fairy Tales and Superheroes**. Toddlers dressed as characters like Superman, Snow White, Little Red Riding Hood, Mermaid, Belle, and Tinker Bell, impressing everyone with their adorable confidence and stage presence.

Judges Mrs. Chandra and Mrs. Jeyarani, along with the Correspondent Mr. James Navamani, awarded the winners and appreciated every participant. Special titles were given to all moms and toddlers, and parents shared heartfelt feedback about their wonderful camp experience.

The camp concluded with an emotional farewell, with everyone taking home colourful memories and a collection of the activities they had created during the week. It was a truly **unforgettable journey of joy, learning, and togetherness!**

A Very **Big**  
**Thank you**  
to all our parents
