FOR THE MONTH OF FEBRUARY 2025

PASSION MEETS PERFORMANCE : ACTIVITY DAY 2024-25

On 1st February 2025, our school hosted a spectacular Activity Day, highlighting the vast array of talents among our students. The stage presentation was a shining reflection of the students' months of practice, dedication and teamwork, showcasing their impressive skills and talents. As a token of appreciation for their tireless efforts, our Correspondent, Mr. Navamani James, presented mementos to the activity teachers in recognition of their outstanding contributions. The presence of the Director, Mrs. Agnes Daniel, Mrs. Chandra, Principal of Matric and Dr. Felix, Principal of CBSE, added a touch of grandeur to the proceedings. The A K Hall overflowed with proud parents, eagerly awaiting the opportunity to witness their children's talents shine on stage.

IMAGINATION MEETS INNOVATION : ART & CRAFT

The art & craft exhibition was a testament to our students' imagination and skill, presenting a stunning collection of handmade crafts, including paintings, pottery, jewellery, and other unique creations.

RHYTHM, GRACE AND BEAUTY : CLASSICAL DANCE PERFORMANCE

The day commenced with a sacred Salangai Pooja ceremony, honouring seven CBSE students, followed by a captivating classical dance performance by our students with their skillful recital, intricate footwork and expressive gestures which held the audience spellbound.

WHERE LOGIC MEETS CREATIVITY : CHESS

The chess activity proved to be a valuable learning experience, enhancing students' critical thinking, decision-making and problem-solving skills. The highlight of the event was a mesmerizing human chess display, featuring 64 students who demonstrated exceptional teamwork and finesse, captivating the audience. This impressive showcase epitomized the importance of perseverance, patience, concentration and hard work, providing a lasting impression on all who witnessed it.

RHYTHMS OF TRADITION : CARNATIC MUSIC

The students enthralled the audience with their masterful performance, showcasing intricate melodies, complex rhythmic patterns and sophisticated melodic frameworks. This outstanding display was a testament to their tireless dedication, hard work and rigorous musical training.

UNITING BODY, MIND AND SPIRIT : YOGA

SPECIAL ASANAS

Our students presented a serene yoga demonstration, effortlessly moving through various asanas that highlighted the importance of flexibility, balance and mental clarity in achieving a healthy and harmonious lifestyle.

KICKS, BLOCKS AND MINDFUL MOVEMENT : KUNG FU PERFORMANCE

The Kung Fu demonstration by our students was a high-energy showcase of martial arts expertise, with intricate patterns, dynamic movements and impressive techniques that thrilled the audience and showcased their hard work and training.

FOCUS, PRECISION AND SKILL : ARCHERY

With bows at the ready, our students took aim in the archery competition, demonstrating their mastery of technique and control as they strove to hit the perfect bullseye.

RHYTHM ON WHEELS: SKATING DEMONSTRATIONS

With wheels rolling and spirits soaring, our students took to the skating rink, demonstrating their mastery of speed, agility and trick skating in a fun-filled display of skill and enthusiasm.

STRINGS, BEATS AND SOULFUL VOICES : WESTERN MUSIC PERFORMANCE

The Western music performance was a dynamic and electrifying showcase of our students' musical prowess, featuring solo and group performances that spanned multiple genres and left the audience enthralled.

FEET ON FIRE, HEARTS ON HIGH: WESTERN DANCE PERFORMANCE

With boundless enthusiasm and energy, our students presented a captivating Western dance performance, showcasing their impressive choreography and rhythm, drawing thunderous applause from the delighted audience. The Activity Day proved to be a grand finale to our school's events calendar. This joyous occasion highlighted the transformative impact of extra-curricular activities on our students' social and personal growth.

DISCOVER, EXPLORE AND LEARN : THE ULTIMATE EDUCATIONAL TOUR

On 22nd February, 61 students from Grade XI set off on an exciting educational tour to Cochin, departing from Valliyur at 6:30 a.m. The tour took them on a fascinating journey through Cochin's iconic landmarks, including historic Jew Town, Fort Kochi and Vasco Da Gama Square, where they discovered the city's rich cultural heritage. A memorable highlight was a leisurely boat ride, accompanied by a sumptuous lunch at the boat house. The afternoon was filled with shopping excursions to Broadway and Lulu Mall, where the students indulged in retail therapy until 8 PM.

The students had an unforgettable adventure at Wonderla, where they splashed into fun with exhilarating rides and water games. As sunset gave way to starlight, the excitement reached new heights at the boat house, where students danced the night away to DJ beats, wrapping up unforgettable memories. With hearts full of joy and minds filled with cherished memories, students returned on Tuesday to Valliyur by 7:30 a.m. marking the end of an enriching and unforgettable adventure.

HINDI EXTERNAL EXAM

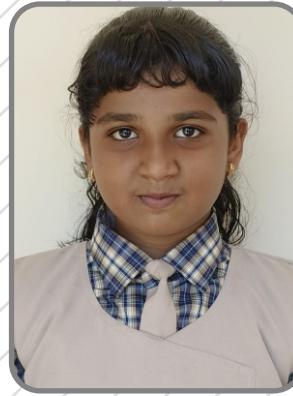

On Sunday 16th, the External Hindi exams were conducted for grades V-VIII in the CBSE Middle Block. Paper I was scheduled from 10:00 AM to 12:30 PM and Paper II from 1:30 PM to 4:00 PM. A total of 61 students from Grade V appeared for the Prathmic Exam, 38 students from Grade VI appeared for the Madhyama Exam and 80 students from Grades VII and VIII appeared for the Rashtrabhasha Exam.

MARTIAL ARTS MASTERY : STUDENTS SHINE AT KUNG FU BELT EXAM

On 28th February, 32 of our students demonstrated their mastery of Kung Fu techniques and forms at the Mansuria Kung Fu Temple in Vallioor, competing against top performers from various schools across the region. Trained by Kung Fu master Mr. Kannan, our students perfected their techniques and gained confidence. The exam was judged fairly, with assessments based on technique, balance and presentation. Kings CBSE emerged as the Overall Champions, with our students shining bright with a total of 32 medals: 12 Gold, 15 Silver and 5 Bronze, along with certificates of achievement.

STUDENT VOICES...

Kings School (CBSE) brings out the best in every child by analysing their true potential individually while creating an environment of kindness, responsibility and leadership. At this school, teachers want nothing more than to see their students succeed in various curriculums. They take pride in celebrating their students' achievements, big and small, and they are committed to helping them overcome challenges. Students who had been enrolled here had grown and developed their personality tremendously both intellectually and characteristically. They get many opportunities to explore and progress in all aspects, both in academics and non-academics. Kings School emphasizes on global learning and prepares the students for success in an interconnected world in the future. It is the best school in the whole town. This school has many technical facilities like smartboards, security cameras, computer, math and science labs and a library to make learning fun, secure and interactive.

All the staff are energetic and caring. What makes Kings School standout is its balance of both the academic and non-academic features. Worth noting, Kings school's initiative to apply latest practical applications in the classroom make students sharper and disciplined. The students are evaluated using assessments to measure students' comprehension which is used to offer personalized guidance. Adding to that, the facilities and cleanliness at school are highly impressive. This school surpassed all the expectations of parents to high levels. The school environment is warm and inviting, surrounded with lush lawns, plants and trees. The school's strong sense of community and parent involvement contributes to the success of each student.

-Jeslyn Netania, VI A

As a student, I enjoyed this year a lot. During our class hours we not only learned but also had fun filled activities which made our learning easier. This school taught me to be an independent and a responsible human being. We enjoy a frank and candid relationship with our teachers which is enabling us to discuss our doubts and concerns clearly. Non-academics and academics are equally given importance in our school. Our teachers provide us pre-exam motivation to help us stay focused. This academic year has been the highlight of my school experience.

-Thanishkha Sre E. S., VII A

I really like Kings School. The infrastructure is praiseworthy and the learning environment is optimistic and motivating. Moreover, the classrooms are fully equipped with all sorts of teaching resources, which are perfectly utilised by many teachers. For instance, most of our boring history lessons become interesting by the lively stories we see through the smartboard. Rote learning is discouraged to the most, while conceptual learning is promoted through many ways, like demonstrations in physics, quizzes in Social, presentations in English, HOTS in Maths, real-life applications in Tamil, etc. The administration is also commendable. The students are also friendly and kind. There is no kind of hostility or hatred or separation. There is a common feeling of homogeneity and unity among us. We not only share the same class, but also many happy experiences and information. We learn, while at the same time crack jokes and create funny scenarios. We truly feel that we are all a part of the huge "Kings Family". The holistic approach to learning is also appreciable. We feel that when it is time for us to leave we will have all the qualities for a citizen of our great nation. To leave is indeed a sorrow but I am happy for all this school has taught me and made me. I am proud to be called a "Kings Student".

-Davishkar Solomon, VIII A

Kings School is like a home for learning, a comfortable and friendly environment which provides quality education and proper facilities. You will never feel like you are being forced to learn instead, learning takes place in an interactive and intuitive manner. The teachers are friendly, understanding and always supportive. The sources and facilities required for quality learning. Non-academics is also top-notch and always available. What's even better is that, non-academics is given equal priority to academics. Learning and fun takes place simultaneously and in a perfect proportion. Kings School is about as perfect as a learning environment could ever get.

-Liron Jaden Samuel, XI A1

Beyond the Classroom: The True Value of being a KINGSTONIAN

School is often viewed as just a place where we spend hours sitting in classrooms, taking notes, and preparing for exams. But if we take a step back and think about it, school is so much more. It's the foundation where we shape not just our academic future, but also who we are as individuals and members of society. Kings CBSE has been a home, a playground, a learning hub, and a stage where we've grown into who we are today.

My journey with this school has been a roller coaster ride of highs and lows. I began my educational journey here, from nursery to II standard within these walls. This school was my universe, a place where wonder, curiosity, and growth thrived. I loved everything about Kings the classrooms, friends, the teachers, even the morning assemblies! My heart broke when I had to leave due to certain circumstances. I still remember crying my eyes out, begging not to leave because I didn't want to say goodbye to this beautiful place that I loved so much.

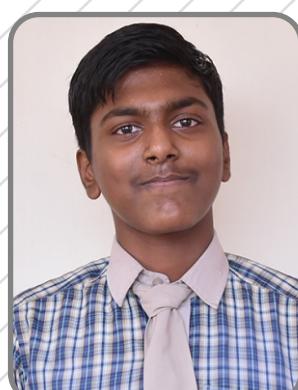

But life has a funny way of bringing us back to where we belong. In 8th standard, I returned to this school, and that was one of the happiest moments in my life. Walking through those gates again felt like coming back home. The same warmth, the same energy, and the same sense of belonging welcomed me with open arms. It was as though I had never left.

From then on, every moment in this school became even more special to me. Whether it was celebrating festivals, participating in programmes, or just enjoying conversations with friends during lunch breaks, this school made my childhood and teenage years unforgettable.

Over the years, this school has been the backdrop for some of the best memories of our lives. From nervously entering the gates on the first day to confidently standing here on the last, it's been a journey to remember.

I want to thank Kings CBSE for being more than just a school. It's been our home, our comfort zone, and our Launchpad for the future. Wherever we go, we'll proudly say, "We're Kingstonian!"

-J. Blesslin Hancita, XII A1

Having studied abroad I joined Kings School during 2022-23. I was heartened by the facilities offered by Kings. There was a massive improvement in quality of education comparing to my previous experience. Students are always willing to help anyone at anytime. Teachers are always supportive and are always ready to lend a hand. They always teach the concept in a way everyone can understand easily. I am deeply grateful to my parents for providing me with the incredible opportunity to learn and grow at Kings.

-Jenish Lesley, IX A

When I joined Kings School, I thought the education system won't be the ones I learnt in foreign countries but surprisingly it was better than ones I thought. As I entered the class everyone welcomed me delightfully and behaved well. As days passed by I got many friends and experiences. The teachers are not only good at teaching but also very friendly and kind, making learning an enjoyable experience. One of the things I love the most is that every student gets equal opportunities to participate in all events, which makes the school environment inclusive and encouraging. The campus is eco-friendly, clean, and peaceful, creating a perfect atmosphere for studying and relaxation. The sports system is well-structured, allowing students to stay active and develop their skills in various games. Moreover, the extracurricular activities are much fun, giving us a chance to explore our interests beyond academics. Overall, my school is a great place to be, and I truly enjoy being a part of it!

Christus, V B

Kings School is the cornerstone of education, where students acquire academic knowledge and essential life skills. In classroom students gain more practical knowledge. This practical knowledge helps our students to develop problem solving skill and they become more responsible. In language classes many activities like role play, skit and debate are conducted to develop students LSRW skills. Apart from academics, Kings school foster creativity, leadership, teamwork and emotional intelligence through extracurricular activities. This year we celebrated Sports Day, Activity Day where all the students actively participated and developed teamwork skill which boosted their confidence. Weekly once yoga, craft and physical education classes are conducted. These classes help students to promote mindfulness, encourages self-love and self-care. Overall Kings School encourages students to develop their knowledge, skill, confidence etc. This helps the students to shine in their life.

-Srinithi, V C

PARENT PERSPECTIVES: WHY WE CHOSE KINGS SCHOOL

As a parent, I am incredibly pleased with the way Kings CBSE School has nurtured both of my children, my son and daughter in their growth, both academically and personally. The school's commitment to providing a well-rounded education that emphasizes the importance of extracurricular involvement is truly commendable.

For my son, the school has gone above and beyond in creating opportunities for him to host events and actively participate in a variety of activities. From cultural festivals to sports events, he has had the chance to showcase his

leadership and organizational skills by taking on roles as an event host and coordinator. These experiences have played a significant role in boosting his confidence and developing essential life skills.

Similarly, my daughter has also benefited immensely from the school's focus on extracurricular involvement. She has been encouraged to participate in various activities, from arts and drama to sports, which has allowed her to discover and hone her interests. The school's inclusive approach makes sure that every student, regardless of their background or interests, has a chance to shine. My daughter has particularly flourished in her involvement in the school's music and dance programmes, which have given her a platform to express herself creatively.

The sports facilities and coaching at Kings CBSE School are excellent, and both of my children have participated in a range of sports, developing not just physical fitness, but also teamwork, discipline, and leadership. The school's emphasis on encouraging students to take part in these activities has instilled in both of them a sense of responsibility, perseverance, and healthy competition.

In every aspect, from academics to extracurricular, Kings CBSE School has provided a nurturing and supportive environment for both of my children to thrive. I am grateful for the school's efforts to ensure that my son and daughter are not only excelling in their studies but are also growing into well-rounded individuals with a wide range of skills and interests. I am confident that their time at Kings CBSE School will continue to shape them into confident, capable individuals ready for the challenges of the future.

Mrs. Heartlin Vini - M/O Jerin Gafnit, XI A1 & Maisie Greshma, IX A

Being a part of Kings Family, I am delighted to share my thoughts on the academic and extracurricular performance. To me, this school is a second home for my kids that nurtures creativity and leadership skills. My kids enjoy going to school and this reveals the happy school environment. I have been

admiring the hard work of every staff and management of this school to kindle the potential of their students, to exhibit their best performance in all school activities. Equal opportunities are given to every student of the class, right from the seating arrangement, rotation of leadership and hosting the assemblies. This will create a strong foundation for the students to volunteer themselves not only in their higher education but also throughout their career. The way the staff educate the students helps

them to relate the concepts with the real-time scenarios. In this manner, the school has taken the major credit in shaping the students to be multitalented to stand ahead of the student community. The easily approachable quality of the staff and management helps us to share our view, and they too value our thoughts.

To establish a win-win situation, parents shall also be part of their kids' school journey to utilize the fullest effort of staff and students. This would in turn help the students to bring laurels to school, family and society.

**Mrs. A. Amala Pushpa Sheniga
P/O Nithisha, IX A & Ragu Abhilash, VII A**

Kings School is an excellent institution for propagating knowledge and life-skills in the minds of students. All the teachers are dedicated and supportive. The education and opportunities provided by the school cater to the needs of students to shine in the present competitive world. The school also equips the students with life-skills and extracurricular activities. I really appreciate the effort taken by the administration and staff to make learning an enjoyable and rewarding experience.

**Mrs. Gracelin Sheela,
P/O Davishkar Solomon, VIII A & Felicita, X A**

I am happy to represent myself as an Academician and a proud parent of Kings School. As an Educationalist I do perceive high dreams and aspirations about the up brings of young minds and positively happy about the systematic and planned performance of the management and the stakeholders. They have been taking several steps to enhance the overall personality of the students. The school provides equal opportunity for the Physical, Psychological and academic activities.

The additional activities develop critical thinking, cultural understanding, and social awareness. Activities like Yoga, Sports, Swimming, Co-curricular lessons helps the students for being focused and enthusiastic. Spare the rod and spoil the child has come into active but according to me schools must follow strict discipline to shape the future of the nation. I see that Kings school is doing great and I wish all glories to the Institution.

**Mrs. Helen Lawrence
P/O Fatise Oliva, VI A**

Kings School classrooms are spacious and maintained neatly, providing very good ambiance for the students. The school management well motivates the students in academics and non-academics. Expert coaches are made available even after school hours for training the students in various sports activities like football, basketball, volleyball, athletics and swimming. Different activities such as Karate, Kungfu, Music, Dance, Art and Craft are given much focus to develop the extra-curricular skills of the students. Students are given opportunities to participate in inter-school/district/state competitions. The faculties follow activity-based coaching by engaging the students in skits, seminar, poster-making, etc.

**Mrs. Poofa Gopalan
P/O S. Oviya XII A2 & S. Pooja, VI A**

As a parent, choosing the right school for my child was one of the most important decisions I had to make. After much research and recommendations, we chose Kings CBSE School, Vallioor, and I can confidently say it was the best decision for my little one.

A Nurturing and Safe Environment

From the very first day, I noticed how warm and welcoming the school environment is. The teachers and staff are incredibly kind, ensuring that young children feel comfortable and secure. My daughter, who was initially shy, quickly adapted and now looks forward to school every morning.

Holistic Learning Beyond Books

Kings CBSE School focuses not only on academics but also on building confidence, creativity, and social skills. The school incorporates storytelling, music, dance, and interactive learning, making studies enjoyable for young minds. My child comes home excitedly sharing songs, rhymes, and fun activities she experienced in class.

Supportive and Caring Teachers

The teachers here are patient, encouraging, and approachable. They pay attention to every child's learning pace and needs. The individual attention and positive reinforcement have helped my daughter become more independent and eager to learn.

A Balanced Mix of Play and Learning

The school understands that play is as important as academics for young children. With well-maintained playgrounds and fun-filled extra-curricular activities, my child gets the perfect balance of learning and play. She loves the swings, running on the big green field, and participating in school events.

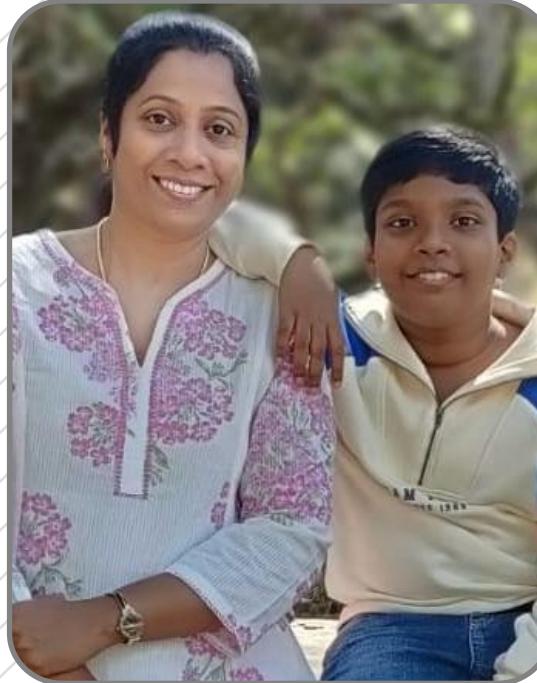

Why Kings CBSE School is the Best Choice

As a parent, my biggest joy is seeing my child happy, safe, and excited to learn and that's exactly what Kings CBSE School offers. The school provides a strong foundation for academics, personal growth, and creativity. I would highly recommend it to any parent looking for a well-rounded education for their child. If you're searching for a caring, high-quality CBSE School where children learn with joy and enthusiasm,

Kings CBSE School, Vallioor, is the perfect place!

Mrs Jennifer Nathan, P/O Adlin Johanna, I B

"As a parent of Master. J. Hans Davion / Class IV, I am truly grateful to the School Administration for the innumerable opportunities that are being provided to my child. The school excels not only in academics but also in preparing students for Olympiad exams like NSO, IMO, and NASO. It offers a wide range of co-curricular activities, including music, chess, western dance, classical dance, vocals, self-defence courses, swimming, yoga, archery, and roller skating, allowing students to explore

their interests. My child thoroughly enjoys guitar classes and has actively participated in various events like musical performances, poem recitation, describing situations, role play, and clay modelling. I also appreciate the school's initiative in conducting Hindi exams from fourth grade onwards. My child also had a great experience from his participation in sports activities. Class Dojo helps track daily class work and homework efficiently. The dedication of the teaching and non-teaching community in fostering creativity and confidence is truly commendable. Moments like these highlight the strong sense of holistic education at Kings School. I whole heartedly thank everyone without whom such experiences would have been possible only in dream"

- Mrs. Suganya Jack - M/O. J. Hans Davion, IV
