Here are a few gentle tips to make the break enjoyable:

A cozy story at bedtime, tiny helping hands while setting the table, the delight of watering plants, or the thrill of running free in the open air these small moments create big memories. Limiting screens, encouraging play and ensuring plenty of rest will help them return refreshed and ready for a new term of adventures.

On 6<sup>th</sup> October 2025, when the school doors open once again, we look forward to welcoming our little ones back with bright eyes, happy hearts and renewed enthusiasm for learning.

September was a month to cherish, filled with opportunities for our children to shine. We thank our parents for your support and look forward to welcoming everyone back refreshed after the holidays.

Wishing you and your family a joyful, restful and love-filled holiday season.

With warm regards,  
Pritha Charles
