

CBSE AWARD CEREMONY

Proficiency & 100% Attendance Award Ceremony – Academic Year 2024–25

Kings CBSE School proudly celebrated the Proficiency Award and 100% Attendance Award Ceremony on Tuesday, 10 March 2026, recognising students whose dedication and commitment stood out during the Academic Year 2024–25.

The Proficiency Award was presented class-wise to students who demonstrated consistent academic excellence throughout the year. These awards recognise students who maintained outstanding academic performance, diligence and a strong commitment to learning across subjects.

The ceremony also honoured students with the 100% Attendance Award, presented to those who attended school every single day of the full academic year without taking leave. Their discipline, punctuality and dedication to learning reflect the importance of regular attendance in achieving success.

A special highlight of the event was the presence of the parents of all the award-winning students, who joined the ceremony to celebrate their children's achievements. Their participation made the occasion even more meaningful, reinforcing the strong partnership between school and parents in nurturing student success.

The school management, principal and teachers warmly applauded the awardees for their hard work and determination. We congratulate all the award recipients and wish them continued success in the years ahead. The names of award winners are as follows:

MASTERING MARKS AND MINDSETS

An orientation programme on Mastering Marks and Mindsets was conducted for the new twelfth batch by our Director, Mrs. Agnes Jeya, at the Burden Centre on 23rd March. The session included interactive team activities and motivational talks. Students were guided on the difference between instant gratification and delayed gratification.

The programme encouraged creativity, teamwork and self-discipline. Winning teams were awarded and all participants were appreciated for their efforts.

Overall, the orientation was a meaningful and inspiring experience. It provided valuable guidance for exam preparation and motivated students to approach their studies with confidence and the right attitude.

KINGS KINDERGARTEN NEWS

Warm Greetings from the KG Head!

Dear Parents,

As we step into the final phase of this wonderful academic year, my heart is filled with immense pride and gratitude. March has truly been a month of reflection, celebration, and achievement. Watching our little learners grow in confidence, curiosity and kindness has been a deeply rewarding journey.

Thank you, dear parents, for your constant support and partnership. Together, we have created a nurturing environment where every child blossoms beautifully, each day brighter than the last.

As the days turned into months, something magical began to happen...

Our little learners started growing not just taller, but braver... kinder... and more confident. They learned their letters and numbers, sang songs, shared smiles and discovered the joy of friendship.

And just like that, March arrived a month filled with celebration, reflection and proud moments.

The Magical Night of "The Enchanted Emporium A Global Toy symphony"

One special night, something extraordinary happened...

In a quiet toy shop, as the clock struck midnight, all the toys came to life! At the centre stood Globie, the Earth, glowing softly and calling everyone for a magical journey.

And so, the journey began...
They danced through the colourful streets of Brazil, celebrated joyfully in Mexico and explored dreams and innovation in the United States.

They visited the royal lands of the United Kingdom, admired beauty and creativity in France and went on a wild safari in South Africa.

They discovered ancient wonders in Egypt, bounced with laughter in Australia and experienced grace and discipline in Japan and China.

Finally, they arrived in India, where dreams took flight with the inspiring words of Dr. A.P.J. Abdul Kalam.

As all the countries came together, hand in hand, one beautiful message filled the air:

“The world is one family Vasudhaiva Kutumbakam.”

And in that moment, every child became a messenger of love, unity and peace.

THE FINAL CHAPTER BEGINS... ASSESSMENT CONDUCTED From March 23rd to 27th, 2026

As the story of this school year nears its end, our little stars stepped into their Final Assessments.

But this is not a time to worry it is a time to celebrate!

Each child is simply showing all the wonderful things they have learned through play, stories, laughter and love.

With your gentle encouragement, they will shine with confidence and joy.

THE LITTLE STARS WHO SHINED EVERY DAY

In our story, there are also some shining stars who came to school every single day!

With 100% attendance, they showed us that small, consistent steps lead to big achievements.

Like little plants watered daily, they grew stronger, happier, and more eager to learn.

A big cheer for these little champions and their supportive parents!

Summer Camp (Age 4-14 years)

A world of creativity and fun where children explore art, craft, storytelling, games and skill-building activities making summer both joyful and meaningful.

And so, the Story Continues...

Dear Parents, this year has been a beautiful story filled with tiny steps, big dreams, laughter and love.

Every child has been the hero of their own journey and together, we have created memories to cherish forever.

Thank you for being our partners in this magical story.

As we turn the final pages of this academic year, we cherish every smile, every milestone, and every moment of growth. Our kindergarten journey has been a beautiful story of love, learning and laughter and each child is truly the hero of their own story.

Let us continue to nurture these young minds with care, joy and endless encouragement.

With love and warm wishes,
 Ms. Pritha Charles
